Hillsborough County BOCC

Countywide District #5

It is with great pleasure to announce our endorsement for your campaign for Hillsborough County BOCC, Countywide District #5.

The men and women of Hillsborough County Firefighters serve as the guardians and caretakers of our community. We believe dedication, experience, and a fundamental knowledge & understanding of the challenges we will face every day provides the foundation for our calling and career. Hillsborough County Firefighters have worked with you, side-by-side, during your time as a Hillsborough County Commissioner over the last several years. Your commitment to a mutual mission of improving the lives of the citizens and the working conditions of the firefighters of Hillsborough County is proven and evident. We value this commitment and believe you possess the required principles and convictions our diverse community needs, and again stand by your side.

As a Commissioner, your role is an integral part of our community by and through your responsibilities and actions taken for the citizens and employees of Hillsborough County. Your record shows you have been open to recognizing the public safety needs of our community and embracing thoughtful progressive changes when it comes to future growth and planning for those needs. Hillsborough County Firefighters remains steadfast in seeking innovative and balanced approaches to ensuring these needs are met and not sidelined. We are confident that you will embrace this mindset as well and support this endeavor.

Hillsborough County Firefighters are public servants and believe our community needs leaders who think of others before themselves and who also inspire others to give of themselves. We see this in you and are hopeful the citizens of Hillsborough County will join with the firefighters of Hillsborough County Local 2294 in support of your campaign and success.
